MARRIAGE *Proposals*

While we do not offer proposal planning services, our team will work with you and your photographer to ensure a smooth, stress-free experience. We're here to help with scheduling, location access, and ensuring your chosen space is picture-perfect.

Proposals are booked under our standard photography session rates.

Garden Photography: \$100/hour

Mansion Photography: \$200/hour

To elevate the celebration, add a chilled **champagne service in the gardens for \$175/hour**—perfect for toasting the moment you'll remember forever.

Reservations are required; please email us at weddings@thepaine.org.

Please note that food and beverages are not permitted inside the mansion, so champagne service cannot be added to mansion photography sessions.

Alcohol may be consumed only on the property; guests may not leave the grounds with any remaining champagne. Any leftover alcohol will be discarded appropriately at the end of the session.
